

Remote Call Forwarding

Remote Call Forwarding subscribers can turn the Call Forward feature “on or off” from any touchtone telephone, wherever you are. *You must subscribe to the REMOTE CALL FORWARDING feature for it to work.

TO USE REMOTE CALL FORWARDING:

*Lift the Receiver and listen for Dial Tone

*Dial the Access Directory Number and wait for Dial Tone again

JOES	358-0020
COPE	357-0020
IDALIA	354-0020
ECKLEY	359-0020
KIRK	362-0020
ANTON	383-0020
SEIBERT	664-0020

Dial your own telephone number and your Personal Identification Number (five digits) and wait for special dial tone. Your PIN number is assigned by Plains Telephone.

Follow the instructions for the CALL FORWARDING feature you wish to activate or deactivate.
